Please see attached – this is what we used to have in San Pedro when we had a trolley about 15-20 years ago. I took these signs down about 1 year ago by the doubletree hotel and gave them to you. This is where we should be headed....

I don't have any other meetings scheduled today so anytime would work for me.

Jonathan,

When would you and David have time to meet at the Battleship to show us how the beacons work? I know you said he was working on another project right now for AltaSea.

Thank you.
